

Code of Conduct – Parents

1. Remember your child's coaches are volunteers who give up their time; show them respect and courtesy.
2. Remember that young people are involved in the sport for their enjoyment, not yours!
3. Encourage your child to play within the rules of the game; remember it's not about winning at all costs.
4. Actively help your child to improve their skills.
5. Set a good example with your own conduct at games and training; show positive and constructive behaviour.
6. Never ridicule, humiliate or shout at young players for making a mistake. Encourage them through recognising the positive aspects of their play.
7. Support our Club's efforts to provide and promote underage football in the area.
8. Make the effort to watch your child playing football; they'll appreciate it.
9. Please respond to coaches' communications enquiring about your child's attendance at training or games. Arrangements depend on the replies.
10. Be punctual; our Club is not a child minding service.
11. Should any issues arise please feel free to speak to the coaches at the earliest opportunity
12. Ensure that all contributions are paid as they are for the benefit of your child; this money buys the training equipment he will use.
