

Players code of conduct

As a member, I agree to:

- Behave in a manner that makes you proud to be a member of the LGFA
- Treat all mentors and club officials with respect:
- I will be on-time for training
- Listen to instructions when given
- obey all rules when traveling to away events
- Play fairly:
- include everyone when playing
- never cheat
- never use violence or physical contact (ladies football is a non-contact sport)
- never shout or argue with officials, team mates or opponents
- Encourage and respect team members –
- When things go wrong, I will encourage my team-mates, never ridicule them
- Pass to all players on my team, not just my friends
- Never mock, snigger or exclude my team-mates
- Only use Social Media for positive comments. I will never use Social Media to ridicule or criticise a Team-mate
- Respect opponents – always shake hands after a match, and play fairly
- Talk to Children's officer if you have any problems or if you see any of your friends having difficulties
- If you think a team-mate is being bullied/not being treated fairly (being excluded, laughed at, being criticised), do the right thing and let your mentor or any of the Children's Officers know.
