Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, The Government of Ireland, Health Service Executive (HSE), Football Association of Ireland (FAI) and the Tipperary Southern Schoolboys/girls League have recommended many precautionary measures, including social distancing, keeping surfaces and equipment clean, hand sanitising, no hand shaking, cover mouth and nose when coughing and sneezing, avoid touching your face, as well as others. As guidelines change it is the responsibility of the parents / children / volunteers to practice the most up to date guidelines as issued by the above authorities.

Cashel Town Schoolboys/girls F.C. ("Club") has put in place additional preventative measures to reduce the spread of COVID-19; including a record of all children present at a training sessions (for future contact tracing), temperature reading at start of training sessions of all personal at a training session (people with temperatures recorded over 37.5 will be asked to return home straight away and asked to seek medical advice), however, the Club can't guarantee that you or your child(ren) will not become infected with COVID-19. Furthermore, attending the Club could increase your risk and your child(ren)'s risk of contracting COVID-19.

Please feel free to consult with your legal advisor regarding this document which may affect your legal rights.
