

Code of Conduct

Parents

- Encourage their children and their team in a positive manner when attending coaching sessions and matches.
- Positively encourage their children's football education.
- Applaud good play from both teams.
- Refrain from offering coaching advice during coaching sessions and matches to players. Please leave this to the coaches.
- Observe matches from the designated area. Where no area is designated, parents and guardians are required to observe matches from a reasonable distance from the touchline. This allows the coaches to work freely and without any disruption.
- Refrain from dissent against officials and / or opposition teams at all times.
- Ensure players are dropped off and collected at the agreed times for both coaching sessions and matches.
- Attend seminars held by the club on any issue that affects the welfare of their children.
