In addition all Leagues have requirements for registration forms and each player **must** complete these, provide a “certified” copy of his/her Birth Certificate and the appropriate fee must be paid prior to participation in any club’s activity. In addition to this the club’s membership form & medical questionnaire (if over 14) should be completed.

Please note no refunds will be given on fees paid for any reason other than the club is not in a position to provide football for your child at any level.
