THE JOURNEY

Step into a story of heritage, community, celebration, and heroism as we walk together from the sacred shores of Loch Inagh to the iconic village of Leenane, along one of Ireland's most breathtaking and soul-stirring routes.

This is an Iconic Camino experience — where the timeless beauty of Connemara meets the timeless values of unity, well-being, and purpose. Every kilometre walked becomes a statement of support, solidarity, and shared legacy — in partnership with Alan Kerins, whose has local roots with a global footprint

WHY WE WALK

This is more than a Camino. It is a significant moment for the community — where four sporting clubs unite as one, walking side by side to raise vital funds and build something extraordinary for the generations to come.

We walk to support:

- **Cumann Peile Bhearna Na Forbacha**
- **Loch Lurgan Athletic Club**
- **Club Iománaíochta Bearn Na Forbacha**
- **Bearn Na Forbacha Aontaithe (Soccer Club)**
- **Coiste na Pairce (our community development committee)**
- **Warriors for Humanity, a movement using sport as a force for global good**

Each step helps fund the development and maintenance of our local pitches, facilities, and playing grounds — creating a foundation for community pride, participation, and legacy. Together, we are walking with purpose — honouring our past, strengthening our present, and investing in our future.

A COMMUNITY UNITED

This Camino represents a remarkable act of community kinship.

For the first time, four proud sporting institutions are coming together in shared purpose — not for competition, but for collaboration and connection. It's a rare and beautiful act of unity that transcends club lines and embraces the spirit of meitheal — where everyone lends a hand for the greater good.

Whether you're a player, coach, parent, supporter, or neighbour — this is your Camino. A celebration of our community's strength, culture, and shared heart.
