

Stadium Maintenance Volunteers Wanted.

Knaresborough Town AFC is a community-oriented football club that provides a sense of belonging and enjoyment for its supporters. The club is run entirely by volunteers.

The club's roots are deeply embedded in the local community, and it plays an important role in the lives of many different people. It provides a place for people to come together, build friendships, and share their passion for football.

Knaresborough Town AFC are looking for volunteers to give a few hours during the week to help our current maintenance team with various jobs and projects around the stadium. The team currently goes down every Monday and Friday morning to complete different tasks.

The maintenance staff help prepare various areas within the clubhouse and around the ground, including general jobs such as repair work that may be needed around the stadium to ensure it is ready to welcome supporters for matches. There is always something to do, from painting, weeding, grass cutting, general pitch maintenance, cleaning, and general DIY. If you have any particular skills, expertise, or trade experience, please let us know, although don't worry if you don't have particular skills – enthusiasm and enjoying being part of the team is more than enough.

We have a small team of existing volunteers, but we feel it is the right time to increase our numbers so that we can extend from straightforward maintenance to push forward our other projects that are aimed at improving the facilities here at Manse Lane.

Volunteering can be very rewarding and is a great way to meet new people, expand your social circle and put your skills and a bit of your spare time to use for the greater good.

We always make plenty of time for tea, coffee, biscuits and a natter and it is as much a social gathering as a work party. We are entirely flexible re times and there is no commitment to having to do a set number of hours or being available every week.

As a measure of appreciation to all our club volunteers, all members of the maintenance team will get free entry to every Knaresborough Town AFC league home match and a complimentary drink from the bar or tea hut during those visits.
