1. You pick one team from the English Premier League fixtures for that round, each week, before 3pm on the Thursday before the game. (See Week 1 fixtures below) **2.** Strictly no late selections will be allowed. **3.** The team you select must WIN their fixture. If your team does not WIN (See Rules 4 & 13) you are out. **4.** If your team wins you will receive a text with the following week's fixtures and you select a team to win from these fixtures. **5.** You can only pick each team once. **6.** The overall winner(s) is the person(s) who lasts longest (i.e.) Last Man Standing. **7.** The overall winner(s) takes the total cash prize fund. If the remaining players all get knocked out together the cash prize is shared unless it happens in Week 1 (Rule 8). **8.** If all players are knocked out in Week 1 all players are deemed to be through to Week 2 and the competition continues. **9.** If the League season ends before a winner is declared, the pot will be shared between those remaining in the competition. **10.** Once a selection is made you may not change it. **11.** Should the organisers, for whatever reason, not receive your selection in any week, you will automatically be assigned the first HOME team that you have not yet selected in alphabetical order. Once a team is automatically assigned, you will cannot change the selection. **12.** Should a game be postponed AFTER selections have been made for that week, then anyone who selected EITHER of the two teams involved in the postponed fixture will make it through to the next round. However, that team will no longer be available for selection. **13.** If the league is deferred or postponed due to the pandemic, we will continue with LMS when it returns. **14.** It is your responsibility to ensure that your weekly nomination is submitted before the Thursday 3pm deadline. **15.** Committee decision final on all issues arising.
