Role of the Safety Coordinator

(To be Printed and Signed by the person appointed to the Role)

The following are draft guidelines for the role of Safety Coordinator for the club and not classed as legal duties. If the club becomes a workplace, then further competent advice will be required regarding the implementation of the Safety Statement and safety arrangements, and safety sub-committee and/or safety representative roles, however for the purpose of this document the role is envisaged to be undertaken on a voluntary basis. Ultimately it is the club's responsibility to establish and maintain a safe environment and eliminate or at least minimise risks. The aim of the Safety Coordinator role is to establish a safer environment and encourage a safe culture for the users, with the support of the Chairperson and Committee, and in consultation with the members. The role includes but is not limited to:

- Assist the Committee with the developing, implementation and maintenance of safety arrangements.
- To be familiar with the Safety Statement and safety arrangements for the club.
- Ensure the Safety Policy is displayed prominently within the club.
- Promote safety awareness in the club.
- Ensure there is a fire register for the club (if applicable) and organise all necessary training. Record all evacuation drills and results of same.
- Collaborate with managers, coaches, leaders etc. to coordinate and implement the safety arrangements.
- Monitor the implementation of the safety arrangements and report any shortage, defects or incompliance.
- Monitor activities and ensure arrangements are being adhered to. Intervene when/where required.
- Identify the need for, and organise, training for applicable personnel.
- Ensure all/any accidents/incidents are correctly documented using the Accident/Incident report form and investigated by the necessary committee member and/or consultant. Organise for the documents relating to any accidents or incidents to be saved correctly.
- Ensure a communications process with, and for, the Committee is established. This may involve the establishment of a safety sub-committee, depending on the size of the club at the time.
- Carry out or organise regular inspections / audits in the club to determine any hazards that require attention and report the finding(s) to the Committee.
- Determine the competency of contractors / traders used for works in the club before any works commence.
- Maintain records of tests, inspections, and /or examinations etc. on any plant, machinery and/or equipment etc. within the club or required for any activities.

When selecting the Safety Coordinator consider the above role and key requirements for this role. It is recommended the person has at least the following:

- Good communication and advisory skills.
- Proficient administration skills.
