Caherconlish AFC

English Premiership 2021-22 Predictor

How does it work:

- Every week a player selects the score of 4 matches
- Points are allocated based on the scores
- One point for a correct outcome (win/lose/draw) and three points for a correct score
- A points table will be updated every week with the points tally on the Caherconlish AFC website
- At the end of every month the table leader wins the pot
- Every month a winner is announced
- The points table restarts at zero at the beginning of every month
