

Code of Behaviour

At CLG Na Dúnta, we are very proud of our club, facilities and reputation within the GAA community.

Whether on our grounds at Molloy Park or supporting elsewhere, it is required that every member, parent, player and visitor behaves in a respectful and supportive manner towards all other persons – children, players, officials, coaches, stewards and supporters.

Please remember that we are a voluntary organisation and whether playing, coaching or supporting, everyone is representing themselves and the club to their best ability.

The Downs GAA is an inclusive club where everyone is welcome to enjoy our wonderful sport without subjection to abusive, threatening or inappropriate language\behaviour.
