

# SMS Services Overview

LocalLotto.ie are delighted to announce the introduction of SMS Services for our members. The advantage of this to clubs is great, allowing clubs to use the latest technologies to keep members up-to-date about lotto draws, club events or last minute cancellations, etc. in a low-cost environment. It also creates a lot of interest around the technology being used by the club.

## Benefits & Features

- ★ Check online lotto for winners by SMS as soon as draw takes place
- ★ Notify lotto players of draw results direct to their mobile for FREE
- ★ Send SMS Alerts to groups, committee members or teams directly from your mobile
- ★ Full delivery / non-delivery reports

## Costs

- ★ No setup fee for existing members
  - ★ SMS for as little as 3.3c incl. VAT per message sent
- Your current provider is probably charging you 10c per SMS!

The image illustrates the integration between a mobile phone and the LocalLotto.ie web interface for sending SMS messages. On the left, a mobile phone screen shows an incoming message from 'Sample Club' with the text 'Training for this evening has been postponed due to bad weather.' On the right, the web interface shows the 'Compose' screen for sending an SMS. The 'Who To:' field is set to 'Under21s', and the 'Message Type' is '2 Way Message'. The 'Company Tag' is set to 'Sample Club'. The message content 'Training for this evening has been postponed due to bad weather.' is entered in the 'Create Message' field. The interface also shows a balance of 159 credits and various options for sending the message, such as 'Send Now'.
